

HEBREW SCHOOL

As I watch the snow melt and drip off my roof I am reminded that spring will come! And so will Purim and Passover! I am looking forward to warmer and longer days and so many wonderful celebrations that will bring us together once again.

Family Purim Party—Sunday, March 13—10:45 am - noon

Come for games, costume contest, prizes, music, Megilla reading, take-home goodies, a skit, a raffle—and new this year...the Twirly Swing! Should be lots of fun! In April, we will celebrate Passover with an 'Exodus Walk,' giving our families a chance to learn about our journey to freedom while enjoying the great outdoors.

In addition to these special holiday events, we are planning for lots of other opportunities to connect including **Jammin' in Your Jammies on March 12** when we will celebrate the end of Shabbat with Havdalah, a musical jam session and a jar of jam for everyone to take home! Just two weeks later everyone is invited to our **Special Family Shabbat on March 26**.

NADAV has a busy couple of months coming up. Cooking in the kitchen, assisting in the preschool and the Shuk and working at events along with these special activities coming up – attending **Ski Ride Purim at Smugglers Notch on March 18**, participating in the **Spectrum Sleepout on March 25**, going to the Jay Peak Pumphouse Waterpark and participating in an all Vermont Jewish teen overnight gathering at the end of April.

Summer Day Camp at OZ 2022 is open for business! **Camp for 5-9 year olds** will run **August 8-12, 15-19**. This year, our weekly themes include Israel and Chanukah with field trips planned to Lake Iroquois and the Ben and Jerry's factory!

As you can tell, lots of seeds planted over the winter are ready to bloom for the spring and beyond for families at OZ. Come and join us!
