

Full Circle Preschool

We made it through our first week of reopening, and what a joy it has been! We are so thankful for our many outdoor play spaces that allow us to be a more outdoor-based program during this time. With the warmer weather upon us, we are taking full advantage of our splash pools and outdoor play environments. We are slowly adding new materials to the outdoor spaces to enhance our play experiences and keep the children connected with nature.

We are deeply impressed by how the children have all adjusted this week, which further supports how resilient our children, families, and teachers have been through this rather uncertain time in our world. It is truly an honor to take part in the growth of this learning community.

While we can't combine our classes to have an all-school Shabbat Party, Cantor Steve has wonderfully

recorded a video of the children's favorite Shabbat songs. Additionally, Alison (our assistant teacher and music teacher) beautifully sang Shabbat songs while playing her guitar for each group outside during our first Shabbat back together. No matter how we celebrate, we continue to honor that warm Shabbat feeling!

In wake of the movement to lift Black voices and fight for racial equality, we are considering ways in which we can continue to lift Black voices! We are working on enhancing our play environments to further celebrate racial diversity here at Full Circle. As families assess their children's play materials at home, we encourage you to consider if they acknowledge and represent cultural diversity. We have much work to do, but remember that racism thrives in silence, and we can't afford to be silent as we work to create a kinder, inclusive world for our children!
