I need to prepare...

Job Search Day 1:

A. Beyond the Postings: Finding Work in Oceanside & Utilizing AI

Eighty percent of jobs are not advertised. Learn the tools you need to successfully access this hidden job market. Gain an understanding of the local economy and identify sources of labour market information. Learn how to utilize Artificial Intelligence to supercharge your jobs search!

B. Resumes and Cover Letters Part One

Learn how to create and organize a resume so employers understand your skills and qualifications. No computer skills required

Job Search Day 2:

A. Resumes and Cover Letters Part Two

Apply your skills and knowledge from Resumes & Cover Letters: Part One. You will work alongside the Facilitator to create your resume and cover letter. Part One is a prerequisite. Basic typing skills required.

B. Wage Subsidy Information Session

Are you currently looking for work with the assistance of one of our Employment Consultants? The Wage Subsidy program matches our clients who require on-the-job training and work experience with employers who can offer support, supervision, and training to their new employee. The temporary subsidy covers a portion of employee wages in exchange for coaching and on-the-job training.

C. Skills Training Information Session

Join us for an informative workshop where we'll explore skills training opportunities to enhance your career prospects. Learn about valuable resources, programs and tools designed to support your success in the job market!

Job Search Day 3:

A. Acing the Interview

Successful interviewing is essential to receive a job offer. This workshop contains tips and strategies for effective interviewing—from contact to follow up.

B. Resumes and Cover Letters Part Three

Extra time to put the finishing touches on your resume and targeted cover letters if you need it.
