

**CARONDELET**  
HIGH SCHOOL

### **Online Course Offerings from College of the Siskiyou**

Below are the course offerings for Summer 2019 as part of the Early College Credit Program. Students interested in enrolling in a fall course should have a free period. These are IGETC courses that will fulfill GE requirements for UC and CSU schools. AP students need to be sure not to take overlapping courses (AP Psychology students should not sign up for psychology classes). There is no cost for the course except for purchasing the text.

The core GE Humanities courses we will offer are:

**Anthropology 1010 CRN 5003**

**Humanities 1001 CRN 5016**

**Psychology 1001 CRN 5025, 5026 & 5027 (5027 is a condensed class that runs from July 8-August 8)**

**Sociology 1001 CRN 5028**

The above courses will be offered on a rotating basis so the returning ECC (Early College Credit) students will have the opportunity to take a new class and new ECC students can take a class that may have already been offered.

### **Summer 2019 Course Descriptions:**

**ANTH 1010-CRN 5003-June 3- August 8**

**Introduction to Cultural Anthropology**

3 units, Graded

This course is designed to present an overview of human cultures and the many remarkable ways in which humans adapt to their environment. The course includes sections on languages, archeology, ancient history and modern cultures, with an emphasis on living traditional cultures. (AA, CSU, UC)

**HUM 1001-CRN 5016- June 3- August 8**

**Introduction to Humanities**

3 units, Graded

A broad introduction to the major forms and types of artistic expression: sculpture, architecture, painting, philosophy, literature, drama, dance, film, and music. (AA, CSU, UC) Prerequisite: ENGL 0900 or qualification through assessment. We will need to get copies of your SAT scores and a transcript of current grades.

**PSY 1001-CRN 5025, 5026, 5027(5027 is condensed class-see above)- June 3- August 8**

**GENERAL PSYCHOLOGY**

3 units, Graded

This is a basic course introducing psychology as the scientific study of behavior and mental processes through the exploration of major theories and concepts, methods, and research findings. Topics include biological bases of behavior, perception, cognition, learning, emotion and motivation, development, personality, social psychology, psychological disorders and therapies, and applied psychology. (AA, CSU, UC)

**SOC 1001-CRN 5028- June 3- August 8**

**INTRODUCTION TO SOCIOLOGY**

3 units, Graded

An introduction to the study of Sociology including its basic concepts, theories, and methods. Topics include analysis and explanations of different social systems, cultures, socialization, deviance, groups, social stratification, race, gender, minorities, and the family. (AA, CSU, UC)

**Cost of the Program**

No cost.

Textbook (cost will vary)

**Transfer of Units**

The California Community College (CCC) courses we have selected are transferable to all UC and CSU schools. We have selected courses that can be applied to the general education requirements of most campuses.

If you're considering attending a private or an out-of-state school, call the admissions office of the universities in question and ask about the transfer of California Community College units, though we have found that the vast majority of colleges accept these units as part of general education course work.

**Steps to Register**

- Look over the list of courses offered as part of the ECC program. Meet with your counselor to plan your schedule, including taking the online courses.
- Applications for enrollment in classes can be obtained from Principal Kevin Cushing.
- Once you are registered, Carondelet will create class lists in a Schoology Group, hold an orientation session, and monitor student progress through each course.

## **Additional Benefits**

- Cost-savings on future college course work
- Guided transition to college level work
- College scheduling flexibility
- Learning how to navigate an online environment
- The opportunity to make the college application more “attractive”
- Strengthening time management skills while learning in a flexible learning environment
- Gaining college credit for the cost of a textbook

## **College Cost Savings**

Average cost per unit for a California State University class is \$191 per unit. For a 3 unit ECC class that is a \$573 savings.

Average costs for a UC course is \$502. For a 3 unit ECC class that is a savings of \$1506.

Private university costs per unit vary, but for a typical private college attended by a Carondelet student can range from \$925 for St. Mary’s to \$1560 for Chapman, with some school over \$1800 per unit.

When these units transfer, the savings add up quickly.
