ALUMNI SPOTLIGHT – MARIELLE MUSSOLINE ‘20

LC is blessed to have so many dedicated faculty and staff members who are committed to our students and helping them on their educational journey. We love when our own alumni return to teach and share their love for their alma mater! This month we are featuring Marielle Mussoline ’20 who recently joined the Theology Department as our Campus Minister.

What made you decide to return to LC?

I came back to LC because I wanted to help students grow in their faith and develop a deeper relationship with the Lord. My faith has always been the most important aspect of my life, so I knew I wanted to help guide these students in their faith journeys. I love connecting with the students and being able to relate to them because I was once in their shoes! It is such a blessing to be able to give back to a community that played such an important role in my own life.

What does it feel like to walk through the halls as an employee?

It is very special to walk through the LC halls now as an employee. It is wonderful to see familiar faces of teachers who once taught me and helped shape me into the person I am today. Being back at LC brings back so many great memories, and it is exciting to now be on the other side and have the opportunity to make a difference in students' lives, just as my teachers did for me.

What has changed/what hasn’t changed?

It still feels like the same LC that I attended as a student, with the same two hallways and familiar classrooms. Walking through the building brings back so many memories and makes me feel right at home. However, there have been some new updates since I was a student here, including changes to the chapel with new pews and flooring. It is exciting to see LC continue to grow and improve while still holding on to the traditions and sense of community that make it so special.

Favorite memory

My favorite memories as a student at LC were all the Kairos retreats that I was blessed to be a part of. Kairos was one of the most meaningful experiences I had as a student because it allowed me to grow in my faith and strengthen relationships with others. Those retreats had such a lasting impact on me, and I am so grateful for the experiences and memories I made. Now, being able to lead and run these retreats for students is such a blessing because I get to share that same experience with others and hopefully make a similar impact on their lives.
