SUPPORT OUR TEACHERS SUPPORT EDUCATION BE A SPONSOR TODAY!

BASIS Flagstaff is a grades 3-12 college preparatory charter school. We are publically funded, tuition-free, and have open enrollment. BASIS is unique in that it hires teachers who are content experts in their subject areas, with over 87% of our faculty holding advanced degrees. In order to competitively compensate our outstanding teachers, we raise funds every year to supplement their salaries. We hope you will support world-class education in Flagstaff by contributing to our Annual Teacher Fund!

Donations- We are looking for prizes (ie water bottles, running gear, sports gear, gift certificates, etc) and snacks/drink donations such as fruit and Gatorade. Whatever you are willing to give will go a long way. We highlight your business in our newsletter that gets sent home to over 400 families. Deadline: April 6th.
