SPECIAL REQUEST? Can YOU help?

This summer our summer youth jobs program will be in working collaboration with **City School's Summer Leadership Program**. *Monday, Wednesday and Friday* our students will join with 70 other teen summer jobs programs from across the city of Boston learning about leadership through an anti-oppression framework. We are excited to host the program in our building! On Tuesday and Thursday the summer jobs students assigned to UUUM will be engaged in an internship onsite - to put their leadership skill into practice. We look forward to sharing the outcome with you!

We are requesting some supplies for the summer. If you are able to donate money or materials it would be GREATLY appreciated.

Here are the items requests: easel pads, color paper, markers, post-it notes and scissors.

VOLUNTEER OPPORTUNITY

FAIR FOODS continues to be an amazing opportunity for your UU congregations to come out and volunteer on Saturdays. Many of you are coming in good numbers, but we still have room for many others too. Please consider carpooling to head into Roxbury on a Saturday from **10:30 am to 1:30/2 pm**. Even a couple of hours of service to unload, package and distribute is welcomed!
