

# STEM NATURE NIGHT

WINNIE PALMER NATURE RESERVE IN PARTNERSHIP WITH  
SAINT VINCENT COLLEGE UNDERGRADUATE STUDENTS PRESENT

## EGGcellent Science

Friday, March 24, 2023

5-7 pm

Awesome egg science awaits for children of all ages. Come explore and learn about the anatomy of an egg, meet a chicken or two, and search for an egg with a prize!

## We all STEM From Nature

Friday, April 21, 2023

5-7 pm

Let's recycle, conserve, and learn about ways we can create good habits for protecting our planet! STEM Challenges, activities, and iNaturalist hike await all ages.

Registration 724-537-5284
