

The Radox Health Grand National

Grade 3 handicap chase, £1 million total prize fund. Aintree, 5.15pm Saturday, April 4, 2020. 4m 2f 74yds over the Grand National fences. For seven-year-olds and upwards who, prior to March 17, have started in a chase during the current season and been placed first, second, third or fourth in a chase with an official distance description of 'two miles seven and a half furlongs' or more at any time during the horse's career. Horses must also be allotted a rating of 125 or more by the BHA Head of Handicapping following a review of the horses entered and after taking account of races run up to and including February 9. Horses which are not qualified for a rating in Great Britain or Ireland at closing may also be entered. Such horses may be eligible for a weight providing the Handicapper is satisfied that the horse's racecourse performances up to and including February 9 would merit a minimum rating of 125. To qualify, horses must have run at least three times in chases run under the Rules of Racing of the same Recognised Racing Authority up to and including February 10. At the Handicapper's discretion, such horses may be allocated a rating. The decision of the BHA Head of Handicapping shall be final. Entries closes January 29 (105 entries, 2 subsequently scratched), weights revealed February 11, first scratchings deadline February 25, second scratchings deadline March 17, five-day confirmations March 30, final declarations 10am April 2. Maximum field of 40 plus four reserves.
