

# Morrie Elstien

Morrie is, simply put, a connector. He assists business leaders and

professionals in meeting one another and discovering opportunities to support and advance their businesses. Morrie is well-connected with an elite list of successful industry leaders and business professionals. His network of over 9600 Presidents and Owners is far-reaching and overwhelming. His “pay-it-forward” approach, is quite remarkable and incredibly unique.

MorrieCONNECT, Morrie’s newly established, membership-based consultancy, is the result and natural extension of his successful 40 years in

perfecting his “magical formula” that results in sales and financial growth for his clients. MorrieCONNECT will bring business leaders together and will provide client companies seminars and learning forums on the use of introductions and connections to grow a business. Morrie’s book regarding his process, will be published by A Nationally known Book Publisher and will be released in the fourth quarter of 2021. It is likely to become a “best-seller.”
