

Fall Summit 2021 COVID-19 Symptom Screening/Attestation

* 1. Name

* 2. The health and safety of Fall Summit participants and contributors is NOA's number one priority, and so the team has worked diligently with our venue and vendor partners to ensure current Marriott Virginia Beach Oceanfront protocols are followed plus the additional protocols put into place by NOA. You are an essential partner in helping to create and maintain a healthy and safe environment for the event, before participating, please be sure that you:

- Do not currently have a cough, fever, or shortness of breath or have experienced any of these symptoms in the last 14 days.
- Do not currently have a temperature that is equal to or greater than 100.4 degrees Fahrenheit.
- Have not been in direct contact with anyone who has presented with symptoms of cough, fever, or shortness of breath in the last 14 days.
- Have not received a positive diagnosis of COVID-19 (for yourself or anyone close to you) in the last 14 days.

Note that any in-person gathering carries an inherent risk of exposure to COVID-19 and other communicable diseases. NOA accepts no liability for potential infections, this tool is one of many used to help you assess your level of comfort in engaging with the event.
