Village of Forest Park

Parking Ticket Amnesty Program begins: 01 September 2025

The Village of Forest Park Police Department is extending a reduction of all outstanding parking tickets that have not been paid for and have not yet gone to collections. The amnesty program will allow for all those owing unpaid parking tickets which have incurred late fees and penalties to pay the original amount of the citation.

The Parking Ticket Amnesty Program will assist in the recovery of funds owed to the Village of Forest Park and ease the financial burden of debtors in these trying economic times. "Our goal is simple" stated Chief Gross, "to help ease the financial burden to those who owe us for outstanding parking tickets and reduce the number of debtors to the Village."

This program is scheduled to run from 9/1/2025 to 11/15/2025.
