EMPOWERING ENNEAGRAM : A DESERT SOJOURN RETREAT

Know yourself, build community, empower each other, break down barriers & enable peaceful coexistence at Spirit's EMPOWERING ENNEAGRAM! retreat.

Join us for a three-day retreat to explore this dynamic tool that truly helps to transform lives.

Today's Enneagram is an effective tool for peace and understanding and for minimizing violence, sexism, bullying, and racism. It has been used effectively to build more meaningful relationships and breakdown barriers such as race, gender, culture, country and creed.

Richard Rohr wrote that the Enneagram roots can be found in the 3000-year-old story Odyssey where Ulysses encountered nine challenges ~ people ~ in order to get home and become whole.

"The only people who do not believe that the Enneagram is true are those who do not understand it or have never used it well." —Fr. Richard Rohr

FREE ENNEAGRAM TYPING INTERVIEWS!

Pastor Bob will be offering free advanced enneagram typing interviews between sessions for those who are unsure of their type.

We recommend participants take the typing assessment tool in advance of the retreat.

Spirit in the Desert Retreat Center, located in a beautiful and peaceful Arizona desert setting, hosts programs and retreats for participants of all faiths and traditions to experience reconciliation, renewal, healing, and transformation.
