

# HONEY'S EDIBLE GARDEN

"Seed" Money Campaign

## Join the Hive!

A TBE-Levey Day School collaboration, Honey's Edible Garden is a new space for growth, community, and learning. It's going to take a hive filled with lots of busy bees to bring this garden to life, and we want the whole community to be a part of it! Here's how:

---

Worker Bee	Volunteer time
Honey Bee	\$18
Pollinator	\$36

Garden bed dedication opportunities are also available. Contact [director@bemaine.org](mailto:director@bemaine.org) to learn more.
