

Reminders;

-When sorting PLEASE make sure that you are taking out the milk jugs, water bottles, Gatorade bottles, etc. and place these in the recycling by school. These items are not redeemable so if we are not sorting them out they will begin deducting \$ from our checks if they have to sort them out themselves.

-Please make sure that the glass are put into a separate boxes or containers. The glass bottles need to be standing up in the boxes and not laying down. Please bring these from home or stop at the grocery store and pick some up on your way.

-You also need to separate the Plastics and cans into separate bags and again **it is very important that all non-redeemable items are removed.**

-Please label each bag with OCCS. The bags will then need to be transported to the Orange City Can Redemption Center. They are located on 14th (turn left just south of Bomgaars and head east. You will see it on your right hand side). They will count the cans for us and will send the check to me after they are counted. If you have a hitch and you would be able to hook the trailer up and take it to the Can Redemption Center that would be great. If you don't have a hitch and there are a large amount we can check with a couple families that have offered to do this for OCCS. **Under no circumstances should the trailer be left there for them to unload.**

The hours at the Orange City Can Redemption Center are as follows;

Monday from 9am to 3pm

Wednesday from 9am to 3pm and 6pm to 8pm

Friday from 9am to 3pm

There is a covered bucket in the cart which will hold the bags that you will need for sorting but you may want to **take your own gloves** for sorting. I will be purchasing a box of bags at a time so **if they are running low please make sure to let me know so that I can get some more there.**

If you are not able to do it the week that you are assigned then please switch with someone.

-Please feel free to call Amy Van Roekel at 737-8927 or 712-441-5883 if you have any questions.

Thank you!

Amy Van Roekel
