

4th Annual 2018 Youth De'VIA Competition In memory of Chuck Baird

Artist Chuck Baird is the father of De'VIA. This competition is sponsored by the Kansas School for the Deaf and the Museum of Deaf History, Arts and Culture.

107 De'VIA artworks by K-8th grade were submitted digitally to our 2nd annual De'VIA Youth Art Competition at KSD. Last year, RMDS had 14 students winning which have had been displayed in nice black frames as permanent art gallery in the main hallway awaiting for this year's new winners to be replaced. The students look forward for the announcement on June 1st which will be posted on KSD's webpage and hopefully win prizes which will be mailed to our school before summer break begins.

Art students were brought into decision-making process of choosing work for display. Middle School art students laid out a show completing the installation in our academic spine hallway. They were also docents and gave tour who were trained by Cherry Arts last month. Some De'VIA artworks include videos of students giving art statements in ASL through QR codes that you can scan with your phone or iPads. If you haven't checked it out, you still got time until mid-April.
