

VOLUNTEER INFORMATION SESSION

Ending homelessness in a community like Concord requires time, commitment, compassion, and a wide range of talents and skills.

If you would like to be part of that effort, please join us for a volunteer information session. We can't do this without you.

**TUESDAY, OCT. 23, 2018
5:30 PM - 7:00 PM**

**Common Man Restaurant, Concord, NH
Light Refreshments**

CCEH staff and volunteers will describe the many ways that individuals, service organizations, houses of worship, and businesses can help CCEH end homelessness in Greater Concord. There will be plenty of time to talk with CCEH staff and volunteers to learn more about specific volunteer roles, projects, and events.
