

Every voter deserves to have their vote counted.

Want to help?

Attend a training on how to be a nonpartisan election volunteer this fall.

Sponsored by the RI State Council of Churches;
Common Cause of RI; and Disability Rights RI

These trainings are designed for:

- Individuals who are concerned about voter protection and safe elections this fall
- Those who have received immigration “know your rights” training and would like to use that training to support immigrant voters

All the information and tools needed to be an election volunteer will be provided, including opportunities to sign up for specific polling sites and time slots.

PLEASE NOTE: *There is a great need to send bi-lingual speakers to targeted polling places (with a special need for Spanish speakers).*

This will not require additional training beyond the basic training.

There may also be some need for additional legal support. Further information and training will be provided for those who are interested in this opportunity.

When you register, you may indicate interest in either or both of these areas.
