In 2017, Council Member District K, Larry Green, participated in a signing of a Tri-Party Agreement, along with the Chairs of the Five Corners District, TIRZ 25, and TIRZ 9. The agreement is a partnership between the three organizations to work together, and with District K, on economic development projects in the Five Corners Hiram-Clarke area. Projects could include addressing needed infrastructure such as sidewalks and streetscape enhancements, parks and greenspace improvements, public art, and more.
