

| | Ordained | District Licensed |
|--|------------------|-------------------|
| Churches that raised \$0-\$100,000 | \$200 per person | \$100 per person |
| Churches that raised \$100,001-\$200,000 | \$150 per person | \$75 per person |
| Churches that raised over \$200,000 | \$100 per person | \$50 per person |
| Assigned ministers not serving a church | \$100 per person | \$0 per person |

The District Advisory Board has designated up to \$10,000 to distribute to those who sign up for AFLAC through the district policy. We view this as a small incentive to support churches as they seek to support their pastors. This is a one-time gift that must be applied for. These monies cannot be used for any other purpose but to offset the cost of the AFLAC policy. We encourage every church to do its best to provide a salary and benefits to their pastors. If you have any questions, please reach out to Dr. Olivia Metcalf.

Application Process:

1. Contact Becky Swain to create a policy: Rebecca_Swain@us.aflac.com
2. After purchasing a policy notify the district office with proof of policy: office@upstatedistrict.org
3. You will hear from the district office about approval and the amount granted
4. The first bill will come to the district. If the policy premium is over the amount we are giving, you will receive information on how to repay that amount. If the policy premium is under the amount we are giving, you will receive a check for the difference to be applied to future premiums.
