

YOU'RE INVITED

Workforce Housing Community Meeting

THURSDAY, JUNE 4 | 6 - 7:30 p.m.

Rio Tierra Junior High - Multi Purpose Room
3201 Northstead Drive, Sacramento

Dear families,

Twin Rivers Unified School District invites you to a community meeting on Thursday, June 4 at 6 p.m. at Rio Tierra Junior High School to share the latest update on the Workforce Housing Project and hear your feedback.

This project would create new housing for the teachers and staff who serve our schools and community. We have been listening — through mailers, community meetings, and door-to-door outreach — and your feedback has shaped the options currently on the table. Now we want to share where things stand and hear from you again before we move forward.

AT THIS MEETING, YOU WILL

- Hear an update on the project, including how we got here and what's changed
- See the three current design options, including interior renderings of what these homes would look like
- Learn about the proposed contribution of park land to the city as part of the project
- Share your feedback on the current options in small group discussions

Your perspective has helped shape the direction of this project. We hope you will join us on June 4 to see what has changed and share your feedback.

Please scan the QR code to RSVP so we can plan accordingly for breakout sessions and materials.
