Twin Rivers Unified School District: Inspiring each student to extraordinary achievement every day!

Purpose

- To provide the board with an overview of the program elements and community input for the Expanded Learning Opportunities plan for Board approval.

Twin Rivers Unified School District: *Inspiring each student to extraordinary achievement every day!*

Expanded Learning Opportunities Program Background

The Expanded Learning Opportunities Program (ELO-P) provides funding for afterschool and summer school enrichment programs for kindergarten (including transitional kindergarten) through sixth grade. The ELO Program is established beginning in fiscal year 2021–22 by Assembly Bill (AB) 130.

Can be combined with other funding, such as ASES, to provide services to students beyond grade 6. Access for all students TK-6 must be met before expanding to other grade levels.

Twin Rivers Unified School District: *Inspiring each student to extraordinary achievement every day!*

ELO-P Funding

- Twin Rivers: \$26,331,563
- Charter Allocations
 - CCAA: \$ 643,555
 - Smythe: \$1,465,495

This funding is ongoing and is awarded annually based on the number of unduplicated students enrolled in grades TK-6.

Twin Rivers Unified School District: *Inspiring each student to extraordinary achievement every day!*
