**Mott Community College Launches New “JobsConnector” Portal for Students, Alumni, and community members**

**(FLINT, Mich., Aug. 19, 2024)** -- Searching for jobs just got easier! Mott Community College’s (MCC) Workforce and Economic Development Division is excited to announce that MCC students, graduates, and community members now have access to the new “JobsConnector” portal.

The JobsConnector Portal enables MCC to integrate a powerful local and regional job search tool into the MCC website, powered by Chmura’s Real-Time Intelligence job postings data. This innovative tool allows job seekers to search in a variety of ways making it easier to find relevant job opportunities.

**Key Features of the JobsConnector Portal:**

- **Search Parameters:** Users can search for jobs using various criteria such as job titles, keywords, specific skills or certifications, and/or company names.
- **Regional Focus:** Job seekers can explore job opportunities in the region including the counties of Genesee, Lapeer, Livingston, Oakland, Saginaw, Shiawassee, and Tuscola.

The JobsConnector Portal can be accessed here:

“We are thrilled to offer this advanced tool to our students, alumni, and community,” Robert Mathews, MCC Associate Vice President for Workforce & Economic Development. “The JobsConnector provides easy access to a wide range of job opportunities, helping all users connect with employers and advance their careers.”

In addition to the new job search portal, MCC’s Workforce and Economic Development Division - Student Employment Services offers a variety of services to support job seekers, including resume building, interview preparation, job placement assistance, and career counseling.

MCC is dedicated to excellence in education and providing services that foster student success and enhance the quality of life in our multicultural community. With over 100 academic and occupational degree and certificate programs, MCC prepares students for an ever-changing world. Our university transfer agreements, high-demand associate degree programs, one-year certification programs, and short-term career training ensure that all students can find their path. We are committed to changing lives for a changing world every day, by moving forward together.
