## **Hartlandliving.com - A Community Connected Inspiring a Higher Quality of Life**

**(Hartland)** Hartland Living is pleased to announce the launch of their new website. Having been in the pipeline since October of 2017, the revamped site is a welcome arrival in the community! Residents, visitors, and those interested in relocating to Hartland can find comprehensive community information in one convenient location. Hartland Living is a collaborative working relationship comprised of the Partners in Progress: Cromaine District Library, Hartland Area Chamber of Commerce, Hartland Consolidated Schools, and Hartland Township. The four partners have a shared vision of community, to inspire a higher quality of life, to attract new businesses and families, and to celebrate what makes Hartland the place to call home. Why Hartland Living? Because the Hartland area has grown significantly over the past two decades and there are more opportunities in this community now than ever. The updated website is the main component of the partnership and the crown jewel of the site is a community calendar which organizations and community groups can use to advertise local events open to the public. From sports to cultural activities, the calendar offers everything from volunteer opportunities to family friendly activities happening in Hartland. Also new, "News & Happenings" from the community, specifically the chamber, library, schools, and township! The website, HartlandLiving.com, puts the Hartland area "in the palm of your hand." Hartland Township manager, James Wickman, hopes it will be a "prominent place residents seek out for community happenings and information." The updated site, along with social media accounts on Twitter and Facebook, is a reflection of Hartland, a community connected inspiring a higher quality of life!
