## **Studio West Paint and Pour Announces Grand Opening in Downtown Brighton!**

Studio West, an art studio and boutique known for featuring artists with disabilities, is excited to open its own Studio West Paint and Pour located in downtown Brighton at 111 South West Street. Joining our team are former Paint & Pour instructors: Zach Chapman, Lauren Gordon and Hannah Gokey.

At Studio West Paint and Pour, guests sign up online to attend a two or three hour painting class where they receive simple, step-by-step instructions on how to recreate the featured painting of the night. BYOB snacks and drinks to enjoy during the event. Guests leave at the end of the evening with their own masterpiece.

Studio West Paint and Pour features a two-room studio. The main studio seats 40 painters and the adjunct room seats 10 painters – both rooms can be reserved for private events. Studio West Paint and Pour is staffed by local artists who teach the lively painting classes, which typically attract “Girls Night Out” groups, “Date Night” couples, anniversaries, bachelorette parties, “Children Birthday” parties, team building, corporate events and anyone else looking for a fun-filled evening out. The classes cater to painters of all levels ranging from beginners to the more experienced.

The studio will also be featuring:

- Kid’s themed painting classes
- Do It Yourself (DIY) open paint hours
