

# 2021 AG SAFETY AWARENESS PROGRAM WEEK (ASAP)

The 2021 Agricultural Safety Awareness Program (ASAP) Week will be celebrated February 28- March 6. The theme for the week will be “Driving Safety Home” and will highlight a different safety focus each day of the week that affect rural farms, families and communities.

Use this guide to participate in ASAP Week by watching the OnDemand webinar associated with the daily theme each day!

To view these webinars you will need to create a free guest account on the AgriSafe Learning Lab.
