This year's congress carries special meaning, as we celebrate the 250th Anniversary of the United States of America with fellow Skålleagues from Canada, Mexico, and the U.S. The voyage will feature inspiring sessions, networking, entertainment, and island excursions, all with the camaraderie that defines the Skål spirit.

A Congress at Sea — Now with Incredible Savings

The NASC 2026 experience includes all meals, accommodations, entertainment, gratuities, Wi-Fi, congress facilities, and two hosted cocktail receptions. Guests will enjoy world-class shows, multiple dining options, fitness and recreation areas, and the lively onboard atmosphere of *Royal Caribbean's Independence of the Seas*.

Even better — thanks to newly negotiated pricing with Royal Caribbean, nearly all cabin categories have been repriced to reflect current market rates, resulting in average savings of 20–30% per guest. These lower rates apply retroactively to all previously booked cabins, and new registrants can now lock in these reduced fares while inventory lasts.

Pre- and Post-Cruise Adventures

Beyond the voyage, the organizing committee is curating pre- and post-congress programs in some of America's most historic destinations — Philadelphia, New Jersey, New York, Boston, Long Island, Baltimore, and Washington, D.C. — tracing the birth of a nation through unforgettable cultural and culinary experiences.

Sail, Celebrate, and Connect

Cruise congresses have long offered exceptional value and lasting memories, strengthening friendships and partnerships across the Skål world. NASC 2026 will continue that tradition, uniting members in one of the world's most meaningful settings — at sea, between the birthplace of independence and the pink sands of Bermuda.

Experience Bermuda

Bermuda's pink-sand beaches, turquoise waters, and warm island culture await Skålleagues and their guests. To preview the island's beauty, visit the latest Bermuda Tourism Authority video here: vimeo.com/1127901833
