

Hello,

I just wanted you to know a testimony about a Miracle that happened on the 11th of August at about 09:30AM. My nephew Andy and I were in a traffic accident that **TOTALED MY CAR AND THE OTHER DRIVER'S CAR.** The fire department had to do some work to get both of us out of the car and load us into the ambulance. Andy was in a lot of pain and so was I.

It felt like I had fractured some ribs since all the airbags went off and the steering wheel hit me in the chest and stomach area. When the accident occurred, I was taking Andy to see a doctor about the pain in his left arm from another problem he was dealing with. So, as soon as we got to the hospital, we had to wait in line because others were in bad shape.

I know we both needed prayer, so I called Rev. Mike Burns from MJB Ministries. He was driving somewhere at that time and he told me that he would get to the hospital as soon as he could and started praying for us right then. Bro. Mike was allowed in the ER to see us and he went to my nephew Andy and laid hands on him. He then came and asked me what scripture I was standing on for healing and I told him **Psalms 41:3**, *The Lord sustains him upon his sickbed, in his illness, thou restore him to health.* Bro. Mike wanted to agree with me on the foundation of God's Word for my faith to work.

They took Andy and I to get some x-rays. **All of the x-rays showed both of us HAD NO BROKEN BONES AT ALL! ANDY AND I BOTH WALKED OUT OF THE HOSPITAL 2 HOURS AFTER WE WERE TAKEN IN.** Pastor Mike Burns drove us both home. While we were just sore, black and blue, neither one of us **LOST ONE DROP OF BLOOD.** You see, for me that's important because I take blood thinners, so any cut I get will bleed badly. That's another Miracle.

The people that witnessed the accident were amazed that we both survived and the driver in the other car was not hurt at all and was Walking around too! I was praying for the other driver while I was still in my totaled car. **JESUS GETS ALL THE PRAISE AND THE GLORY FOR THIS.**

I want to say that Pastor Mike and his wife **practice what they teach and believe.** This is one of the reasons I support MJB ministries so that others can learn from God to receive what they need from Jesus when they pray.

God Bless you all,
John W. Thomas
