JA Inspire™
Virtual

When our young people
know where they're going, we all advance.

November 19, 2020

JA Inspire Virtual is a college, career and trades conference for middle and high school students. Using virtual technology, students will interact with hundreds of exhibitors, participate in live webinars and download career information and videos that will help guide them in their career choices. JA Inspire Virtual is adaptable for in-class and remote learning!

Event Highlights

- Online self-guided or teacher-led pre-event curriculum
- Exhibitors from local businesses, colleges and trades industries
- Live Webinars on soft skills, college, trades & apprenticeships, managing college debt, entrepreneurship and financial literacy.
- Student Virtual Swag Bags to store career information and on-the-job videos
- Digital Career Workbook
- Gamification to increase student engagement, including leaderboard, scavenger hunt and prizes!
- Extended 24/7 access for 90 days for students and parents
