Mother Angie's Musings

"Lord Jesus Christ, you stretched out your arms of love on the hard wood of the cross that everyone might come within the reach of your saving embrace: So clothe us in your Spirit that we, reaching forth our hands in love, may bring those who do not know you to the knowledge and love of you; for the honor of your Name. Amen." -BCP pg 101

The collect, or prayer, above is one that has become increasingly meaningful to me and many of my colleagues in the Diocese. Three years ago, I began training in coaching techniques with Canon Rob Droste and a group of other clergy and lay people from around the Diocese. The program was both intensely spiritual and highly professional. I grew in my personal faith as well as learned skills vital to coaching. The more I learned, the more excited that I became about the possibilities that this method of walking along side people has to help us learn and grow as a Church community.

The Diocesan Coaching Network has grown and is now beginning to become active, not only in the Way of St Paul teams, but in other teams and Ministries of the Diocese. We are all united under the vision for the Diocese that Bishop Stokes has so clearly articulated: "to form people as disciples of Jesus Christ who carry out Christ's mission of reconciliation in the world." The way that we accomplish this purpose is by each parish becoming a School for Discipleship, where we learn and grow in our own walk with Jesus and our ability to help others on their journey. As coaches, it is our role to help guide and hold accountable the team or ministry we are coaching as they work to live out this purpose.

Presiding Bishop Curry has been very clear in his message for us as a Church, we need to learn to get over our fears of speaking about Jesus to those around us. We need to learn to proclaim the Gospel to the world which is in such desperate need of the Good News. This is how we are going to not only survive as a parish but thrive.

We need to overcome our fear and become evangelists. We need to "bring those who do not know [Christ] to the knowledge and love of [Christ]." This is what it means to be an evangelist, but there is no need to stand on a street corner or knock on doors. We do not need to go to seminary or have any special training to do this work. All we need is our own story of how Jesus touched our lives. That is it, that is all we are called to do, share this story with those around us.

Overcoming fear is not easy and learning to speak about Jesus takes practice. Our society has trained us that it is not a good thing to speak of our religion to others. It takes time to overcome something that has been so ingrained in most of us. The easiest way to do this is begin with people who are safe and easy for us to talk with; i.e. other people who share our beliefs.

Through the Coaching Network I have found that a good way to make progress is to form a triad or small group. The group meets with a coach to share how they are each doing and what next steps they are willing to take on as they continue their journey. Each member of the group supports each other as each grows and develops their own spiritual gifts.

One of my goals in the coming year is to form a few of these triads within our parish so that we can become more focused and grow in our commitment and skill as evangelists. Please look for more details in upcoming issues of This Week at Trinity and prayerfully consider joining a group as Trinity continues its journey to becoming a School of Discipleship.

Bishop William “Chip” Stokes Visits Trinity Jesse Daniel Cipolla Baptized

During his annual visit to Trinity Church, Bishop Stokes celebrated the Holy Eucharist on November 3rd and Baptized Jesse Daniel Cipolla, the son of Jenna and the Rev. Angela Cipolla, with his proud parents, family friends and Parishioner's in attendance. The highlight of Bishops Stokes visit was his Homily in which he involved the children of the Parish. After the 10:00 am Mass, a reception was held in the Parish Hall where everyone greeted Bishop Stokes with warmth and friendship.

Sunday School Visits Food Pantry

A new year of Sunday School began in September with Mrs. Kershaw teaching our elementary school children and Mrs. Brennan teaching our preschoolers. We learned about the Gospel of Luke and ways we can follow Jesus' example. To make this tangible to the children, all of our students visited the Food Pantry on November 10. Allen Francis explained what happens to donated food, and had the children pack their donations of stuffing and canned goods into bags that will be part of our Thanksgiving baskets. They learned that to run a food pantry, you need donations of food as well as volunteers who donate their time to this important ministry.

Thank you to Mr. Francis for spending the morning with us!

In December we will celebrate the season of Advent, culminating with children singing at the 5pm mass on Christmas Eve. Then in January they will learn about the season of Epiphany. We are so grateful for all of the families who take part in our Sunday School program and hope you have a wonderful Christmas season!

Lessons and Carols for Advent

This special service includes some of the most beautiful and inspiring readings of the Season. The prophecies and the story of the Annunciation which are a part of this service help us to make this a special time of the year.

Our choir will present special music to go with the reading and you are invited to enjoy this special seasonal presentation at 10:00 AM, Sunday December 15. At the conclusion the Lessons and Carols we will continue with the celebration of the Eucharist.

Christmas Services

Our Christmas Services this year will again include two nearly identical celebrations of the Eucharist on Christmas Eve at 5:00 PM and again at 11:00 PM. As has been the custom in the past few years the 5:00 PM Service will be geared for children, with special sermon just for children (**adults are allowed to listen as long as they are quiet**). This 5:00 PM service is especially de-signed for parents with

small children who may wish to have them in bed before 11:00 PM service begins.

Over the past several years, this has become an increasing popular service, so we encourage you to arrive early so that you might find your "favorite pew."

At 10:30 PM, a special musical "prelude" to the Christmas Midnight Mass will provide the festive setting for the celebration of Christmas. The Mid-night Mass will begin at 11:00 PM. Again, it's a good idea to ar-rive early since seating room is always at a premium both at Midnight and at 5:00 PM.

On Christmas Day there will be one Eucharist with Christmas Carols at 10 AM

Get to Know Your Fellow Parishioner

My name is Jeanne Boyle. I was born in New Jersey and raised in the small town of Demarest in Bergen County. I have an older brother, Bob, who now lives in Connecticut; and there were a bunch of kids in our neighborhood to play with and grandparents down the street. We spent our days running through fields and crawling through sticky wickets in the woods, turning over logs, and going to the local swim club.

Along the way I was blessed to meet Peter Boyle, my beloved husband of 50 (!) years. It was a blind date that I at first refused, but then, oh, well, ok, if you insist. And so we met. Two weeks later he asked me to marry him. I laughed and said “you’re kidding, right?” He said “no,” and I said “yes.” I had been baptized in the Methodist Church and was then blessed to be confirmed as an Episcopalian. Our marriage took place at St. Dunstan’s, Succasunna. The rest is a wonderful history and life together.

I was the first in my family to go to college. I graduated from Douglass College and Rutgers University with degrees in English and Library Science. So, I became a librarian. My first professional position was at the New Jersey State Library in Trenton, manning the reference desk and taking care of all the government documents, especially those from and about New Jersey. I worked with libraries all around the state, and that helped us through our coming big change.

Peter was called to the priesthood, and we moved to Manhattan so he could attend Seminary! My colleagues at the Newark Public Library invited me to join them, and so began my reverse commute from NYC to Newark. Three years later we moved back to New Jersey, and Peter began his ministry as Vicar at St. James in Newark. We had a wonderful, loving experience for ten years at St. James; and so when the Diocese decided to close us down, there was much weeping. The beautiful church (picture doves descending on the apse ceiling) and Rectory, formerly a State Senator’s mansion, were soon after destroyed by the neighborhood, leaving a hole in my heart forever.

I became a librarian at the Rutgers Library of Science and Medicine, keeping to my specialty in government documents. This position was as a member of the library faculty, and I eventually earned tenure and became lead planner for the Rutgers library system. We moved to Metuchen into a condo being sold by a retiring colleague at work, and we have now been here for 34 years. During that time, Peter spent a number of years as Rector of a church in Rensselaer, NY, while I kept the home fires burning.

Six years ago, I began attending our beloved Trinity. I am now retired, doing exactly what I wanted to do - spending time with Trinity’s outreach ministries and all the other volunteers. I attend all the classical concerts at the State Theatre in New Brunswick with my dear friend Marion; and with her I am a member of our condo board, currently serving as President. I am in love with Tigre and Missy, our beloved felines. I consider all of my fellow parishioners dear friends. Thank you for welcoming us home. I look forward to learning more about each of you!

Archeological Dig Done At Rectory

On September 28-30 an Archeological Dig, sponsored by the Middlesex County Office of Art and History and the Archeological Society of NJ, was done on the lawn adjacent to the dinning room windows at the Jonathan Dunham House, our current Rectory. The archeologists dug three holes about four food wide and four feet deep.

Supervising the “Dig” were Drs. Mike Gaul and Rich Vight.

As a result of this dig, the remnants of a stone foundation adjacent to the Rectory it suggesting that more than one house may have been built before the current Rectory was constructed.

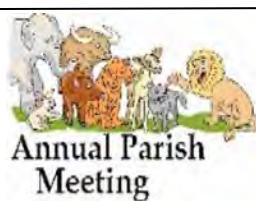

Many oyster shells, tableware fragments, a thimble and a penny dated from the mid 18th Century were found.

In addition to the Rectory Dig, portions of the Rectory and Church Yard were explored by Ground Penetrating Radar to determined if there are any unmarked graves or other structural remains. The study’s findings are still being reviewed and will be published in a future edition.

Trinity Offers More Opportunities to Worship

Each time we pray the Lord's Prayer we pray that God's Kingdom will come on Earth as it is in Heaven. Yet all you have to do is turn on the news to see how far from that reality we are right now. As Christians, we are called to live our Baptismal vows each day. We work and fight for social justice and the dignity of each human being. It is hard work and it can be discouraging when we see the magnitude of what is still to be done. That is one of the many reasons that it is so crucial for us to ground everything that we do in prayer and worship. In response to the growing needs of our community to expand our outreach and justice ministries, we will also be expanding our worship opportunities.

Morning Prayer is held on Thursday mornings at 9:00 am in St Martha's house. Morning Prayer is an ancient prayer service which takes about 15 minutes and connects us to God and each other as we begin our day centered on God and God's call to us.

A **Dinner-Eucharist** is held on Wednesday evenings at 6 pm in the Parish House. Come join us for a delicious dinner as we discuss Bible readings and celebrate the Eucharist together. All ages are welcome and encouraged to attend.

Christ, Our Savior Has Come

By Tina Chaves

I love the season of Advent! I will admit, I love all the shopping (which I mostly do online), the Christmas cards, the food, the decorations, etc., etc. To me, it is a lot of fun. But for me, the thing I love the most about Advent is the preparation...not just for Christmas Day, but for Christ Himself.

The season of Advent prepares us for the mystery of God becoming man, known as the Incarnation. We can celebrate this mystery with joy; rejoicing in the fact that this newborn King, born in the humblest of circumstances, is the answer to man's greatest need, the forgiveness of sin. This King would one day accomplish all that was necessary for salvation...which needs only to be received by faith.

The Messiah is come!

Let us rejoice just as the shepherds did that first Christmas night when the angels announced glad tidings of peace on earth and good will to all men! Let us prepare our hearts this Advent season for the Incarnate Word of God, who was with God and is God and who became flesh only to bring salvation to all who believe!!!

May we always make room in our hearts for Him, knowing that He is truly our Emmanuel, our God with us. Have a blessed Advent season and a very Merry Christmas! Christ the Savior is born! ***Hallelujah!***

Dear Trinity Family:

As we kick off our 2020 Stewardship Campaign, I urge all members of our parish family to join the campaign and become active stewards of our church. We need to remind ourselves that money is a necessary tool for ministry. The church mission depends on your generosity, which supports our parish and diocese. The stewardship of managing our time, talent and treasure to bring about God's kingdom on earth places the responsibility where it belongs, directly on us.

Trinity has been serving our Lord Jesus Christ for the past 320 years. It is giving through its parish family to those in need. - The church's- outreach ministries of: Family Promise, the Friday Lunch and Fellowship, the food pantry, the diaper bank. Our Wednesday Dinner Eucharist, various support groups, food baskets at Thanksgiving, Easter and Christmas, and our giving tree for children at Christmas has reached out to serve "the least of these brothers and sisters of mine" (Matthew 25:40).

When you think about your support of Trinity for next year - your pledge - think about it for all it can do for us, our families, or neighbors. Think about all it can do for God's work at Trinity. Pledges are critical because they enable your vestry to plan responsibly and to establish a parish operating budget for the coming year. The appropriate way to Make our commitment is to give in proportion to our income, in proportion to what we have. The tithe, ten per cent of our income, is the goal that represents the level of commitment that God asks of us and is the appropriate starting point for choosing our own personal stewardship goal. We all should gradually increase the percentage of Our income given to God's work as we move toward this goal, a Biblical tithe.

We are truly thankful by the amount of time, talent, and energy contributed for the care of our parish family, for our building and grounds, and for our outreach missions. But your financial giving is also needed to continue these ministries and that of Trinity itself. As you know, we have struggled to bring our financial situation into a more sustainable state. The best way to help is by making an annual pledge. With a clear picture of what to expect financially over the year, we can more appropriately allot funds and gauge the necessities which both support our parish family and provide for the good we want to do in our community. **Please be aware that your donations given without a pledge cannot be used in determining the annual budget.**

On behalf of the Stewardship Committee, I ask that you prayerfully examine your giving to the church and add your pledge to the 2020 campaign. We recognize that whatever pledge each of **us** can make is a beginning, and with God's help we will find ways to grow in our giving for God's work, and a more complete commitment to our church.

As the Financial Committee will be preparing the 2020 budget in December, it is necessary that pledges be returned to Trinity by November 17. They may be placed in the collection plate during services, or given to members of the vestry or church staff.

Sincerely

David Forsythe,
Chair Stewardship Committee

If you have not pledge ,and for your convenience, your 2020 Call to Love pledge is printed on the next page.

When you see the beautifully decorated greens and poinsettias, be sure to thank Floral Expressions for their work. **Great job everyone!**

On December 4th, St Anne's will have a Christmas Pizza Party at Bellini's. Wait just a minute folks. I hear what you are thinking ... these women sell me a wreath and then eat out on my donation? Not true! St Anne's members pay dues (\$10/year) and those dues pay for our Pizza Party.

So what do we do with the money we receive from our fund raising events (Strawberry Festival, Mother's and Father's Day Books, Greenery Sale and St Anne's Jewelry Sale)? It comes back to the church. Every November we make a pledge to Trinity during the Annual Campaign. We believe in this church and try to support all of the events held here. This year St Anne's made a contribution to the Flush Fund to help Trinity renovate the rest rooms.

If you are asking if Fund Raising is the only thing St Anne's Unit does – it certainly is not. We have 3 business meetings a year. The other 7 times we meet (First Monday of each month; 6:45pm; refreshments and friendship) are centered on themes. Upcoming events for are listed below. Women of Trinity why not join us for a meeting and see what is going on.

Upcoming St Anne's Unit meeting theme and dates:

January 6, 2020 – Business Meeting

February 3, 2020 – Picture tour of Israel led by Tina Chaves

March 2, 2020 – A what to do with flowers demo by Floral Expressions of Woodbridge

Looking forward to seeing you all next year!

Celebrate Your Birthday: Donate To The “Flush Fund”

In a recent conversation with members of the Stewardship Committee the topic came up about how to celebrate a birthday. We all have much to be thankful for. Someone suggested that a way to celebrate and help the church would be to donate a dollar for each year you are celebrating. This year give that donation to the **Flush Fund**.

The Flush Fund is the nickname we have given to the fund we are contributing to in order to update the bathroom facilities in Trinity Church Hall. Celebrating is simple - put a check or money in an envelope with a note as to who you are and what you are celebrating. Put the envelope into the collection plate or the Flush Fund Jar at Fellowship Hour or give to Mother Angie

The bathroom situation and that is one of the reasons that outside groups are reluctant to rent our hall. This could be fixed. We have plans but we need funds. The plans include closing off the men's room in the basement and making 2 bathrooms on the main floor. One of these bathrooms would be wheelchair accessible
