

**Join us at the  
National Aviary  
for  
family-friendly  
fun for  
everyone!**

## **Sensory Friendly Mornings**

Engage with interactive play spaces, and borrow a Sensory Bag from Kulture City equipped with headphones, fidget toys, and other items. Plus, enjoy a sensory-friendly version of Habitat Heroes Presented by AAA Travel, a live bird show with low volume and consistent lighting. To register, call 412-323-7235.

## **Early Childhood Activities**

Explore lush habitats the first Wednesday of the month from September - May as you teach your little learner about the wonderful world of birds through play! Designed for ages 2-5, your child will enjoy different themed-activities including a coloring page, seek-and-find, and sensory play activity. Included with Admission!
