Health and Safety Measures for Arete Prep Academy

This year we will focus on Thinking of others.

Our actions and attention to protocols are important for the health and safety of each of us.

We are in this together.

Looking forward

Friday the 28th - Sign up to come on campus for 15 minutes from 2:30 until 5:30pm

- Seniors - 5:30 to 6:30pm

Saturday the 29th - New Student Orientation

Monday the 31st - Testing

Tuesday the 1st - 100% of Students are Remote. Begin new block schedule

Wednesday the 2nd - 100% of Students are Remote

6th, 7th and 12th graders on campus - **Thursday the 3rd**

- All other students are remote

Friday the 4th - All in person learners are on campus

Arriving on campus

Arriving on campus

Doors open at 7:30am for middle and high school students.

Class begins promptly at 8:20am.

Arrive to school early enough to be in class with your materials, ready to learn before 8:20am.

Masks

Daily usage and when you can remove

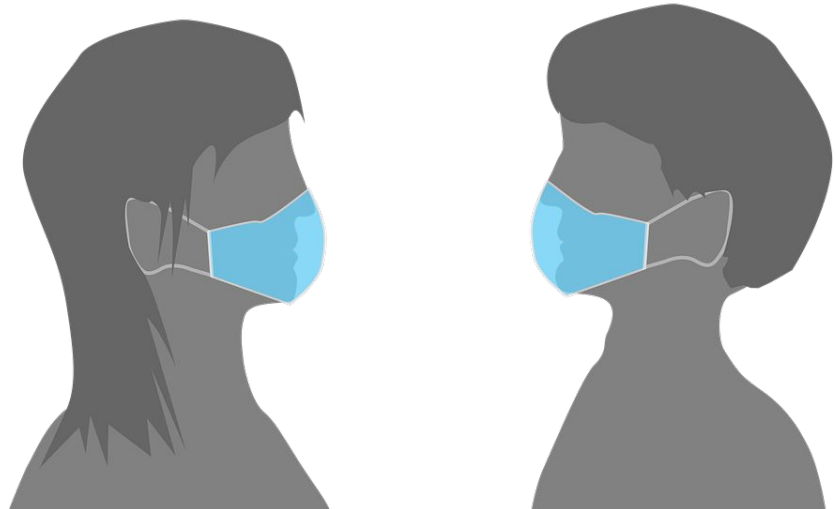

Masks- When to wear

Maricopa County's ordinance and Great Hearts mask policy is in effect to ensure the safety of others as we return to the school environment.

We ask that masks be worn from the time you depart your car at drop-off, to the time that you are picked up in the afternoon.

You will be allowed to remove your mask during lunch, when seated and eating. Masks should be worn if standing, walking to or within the lunchroom.

We will also provide students with a mask break in a safe location outdoors.

Masks - as part of the dress code

Masks must cover your nose and mouth at all times (with the exception of eating, drinking or taking a break outside during specified times).

Fabric masks should be...

- Solid color
- Pattern
- NOT have any words or graphic images on it

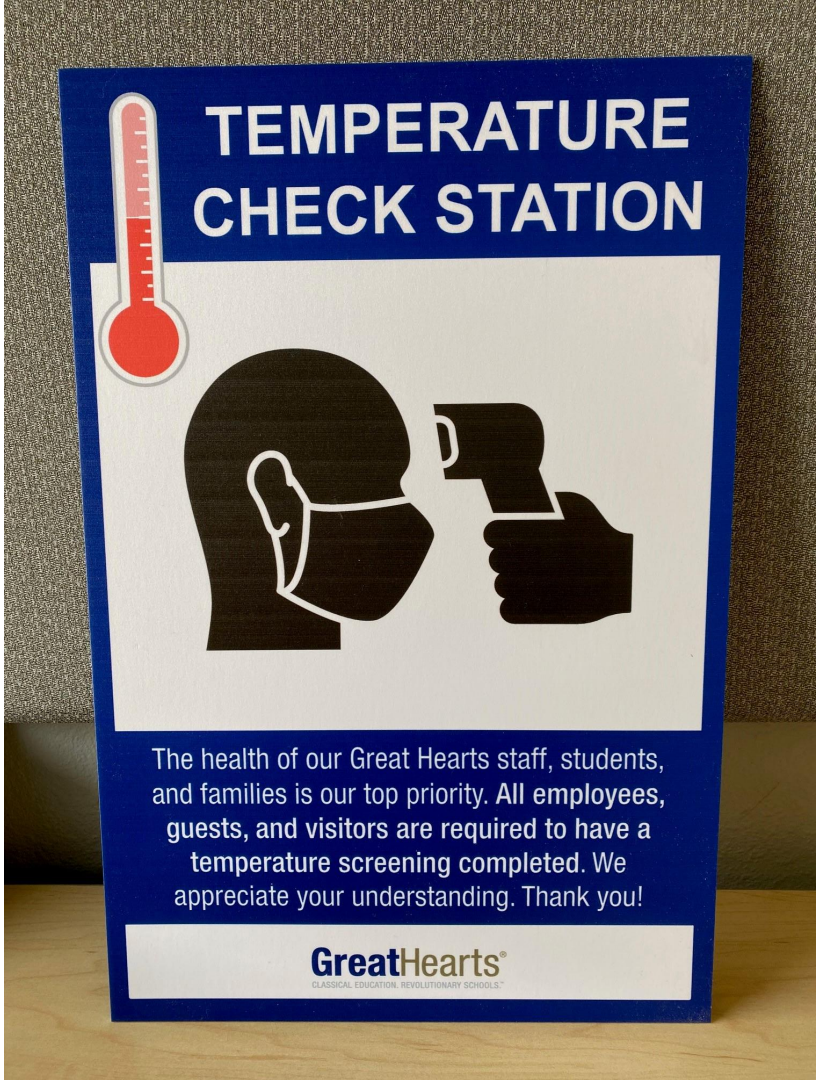

Morning routine

Drop-off line, temperature checks, lockers access and classroom entry

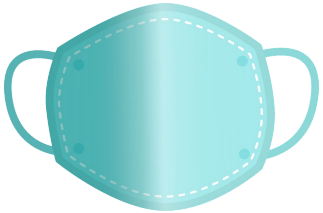

Temp screens

Arriving on campus…

- Go to Temperature Screen Station
- You will be screened in your car using a touchless thermometer
- If your temp is BELOW 100 degrees, you may enter campus
- If your temp is ABOVE 100 degrees, you will be asked to go to a waiting area and re-test
- If you do not test under 100 degrees, you will be sent to the Health Office to confirm temperature and return home

Once you pass the temp screen…

Students will go…

7:30 to 7:45 students will be in designated areas outside

7:45 to 8:20 students will be in their first hour classroom

Students will be able to access lockers…

when they arrive to school and at designated class breaks

One way Hallways

Lockers

In the classroom

How to enter and clean your area

Once you are in your classroom…

- Use hand sanitizer
- Go to seat, but remain standing still holding all books
- The teacher will spray down your desk and chair for you, and then, using a paper towel, the student will be asked to wipe down the desk and chair before being seated
- Once seated, students may begin working on bell work, or reviewing material in preparation for class

Classroom setup - Different than usual

You'll notice that your classroom tables and chairs are arranged in a slightly different manner this year. For many of you, you will be asked to sit in your chairs, slightly askew of the table.

Please be sure to follow the guidelines for seating as set forth by each teacher. Classrooms will vary by size and shape in terms of seating.

Social Distancing

We look forward to welcoming about 75% of our students back to campus for in-person learning.

Though there will be fewer students on campus, it's still important that we are mindful of **maintaining as much physical distance as possible** when interacting or engaging with others.

Lunch time

Lunch time

- And this brings us to lunch! During the break in the class right before lunch you will be reminded to get your lunch box.
- On the way to lunch, take time to wash your hands for 20 seconds, or use hand sanitizer.
- You will want to leave your mask on all the way to your seat.

Lunch time

When eating outside…

- Space out and social distance yourselves while allowing for conversation
- If eating on the bleachers, socially distance and clean up after yourselves
- If assigned to the gym for lunch, you will be asked to sit at a table inside, facing one direction

For the first few days, we may ask that students remain at their seats for the entire lunch period, rather than engaging in sports/activities, but we will open those activities up as we can.

No microwaves or hot water dispensers

No drinking fountains

- Drinking fountains can be used to fill up your water bottle
- Do NOT drink directly from the water fountain spout

End of the day - Dismissal

Dismissal at the end of the day

- You should actually pack up for the day, and bring backpacks to 7th period
- You will wait for your teacher to dismiss you from your classroom.
- If you walk or drive your teacher will also dismiss you.
- When dismissed from your classroom, you will go directly to your ride.

Major Takeaways

- Lunch is now 30 minutes
- Drop off is encouraged between 7:45 and 8:10
- Pick up is 3:20 to 3:45
- Students will be mostly in the same classes during the day
- M/T/Th/F - classes run from 8:20 until 3:20pm
- W - classes run from 8:20 until 1:55 pm
- No microwaves
- Must bring a water bottle
