Dear Friends:

COMMUNITY Thanksgiving Inc.

Fall 2026

Community Thanksgiving, Inc. is a non-profit organization which was created for the purpose of providing a free meal to anyone in the community who does not want to celebrate the holidays alone and for those who need a good, hot meal.

Due to the continued generosity of businesses, organizations, and individuals in our community, we have been able to serve the McPherson and surrounding communities approximately 1700 meals a year, between our Thanksgiving and Christmas Dinners, for the past 31 years. Each year, we are finding that there is more need than ever for this service with food costs continuing to rise. This also creates a need for more volunteers, in all aspects, to continue making this a success.

If you would like to make a donation to this much appreciated community service, please send your *tax-deductible* contribution to:
