

ANNUAL NORTH BREVARD COLLEGE AND CAREER EXPO

You are cordially invited to participate in our annual North Brevard College and Career Fair. The Titusville Area Chamber of Commerce is pleased to work with our north area schools to organize this opportunity for our students to explore their post-secondary education and career options. Building a talent pipeline is important for our community, and this is an event designed to get students (and their families) thinking about career options and the necessary education required; and showcase all the opportunities available in our local economy. Additionally, we hope to share immediate employment opportunities with our students – so if you have part-time or seasonal employment available and are interested in hiring young people, this is a great event for you! Exhibitors with employment opportunities will be identified at the expo, but there is no additional charge to the exhibitor.
