

Carpool and Parking Lot Safety

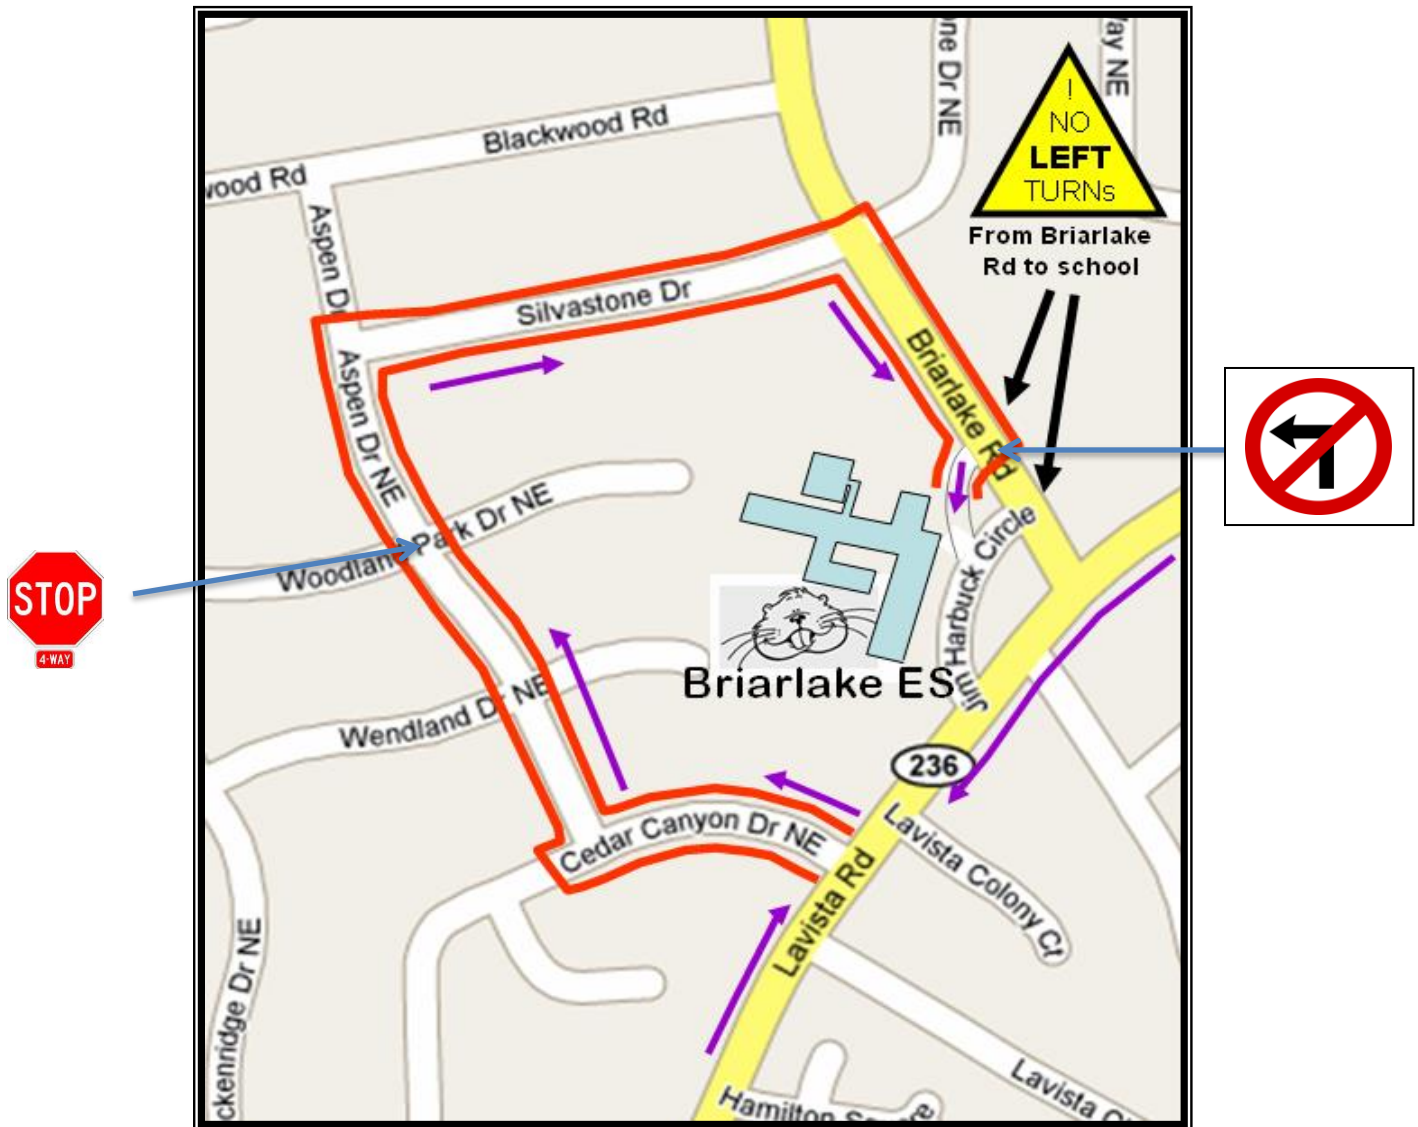

We want everyone to be safe when dropping off or picking up children or when parking at the school. Please follow the following safety rules:

- Please obey the speed limit and yield to pedestrians.
- Remember to **alternate lanes** when entering the drop off/pickup area.
- **Cell phones** are a distraction; distracted driving is unsafe, especially when picking up or dropping off our children.
- **Left turns into the driveway to the lower parking lot are PROHIBITED at all times;** please use Cedar Canyon Drive to Briarlake Rd if you are coming from Lavista Rd (see map on back)
 - ***Come to a COMPLETE stop at the 4-way stop at Cedar Canyon and Woodland Park Dr.***
- **Left turns from Briarlake Rd onto Jim Harbuck Circle are illegal;** see map on back for directions from Lavista Rd.
- Please only release children beyond the clearance of the trailers into the hands of staff members and student Safety Patrols.
- So that we don't impede traffic, **when parking on neighborhood side streets, please park on only the right side of the street going with the grain of traffic.**
- **Avoid the traffic during carpool.** Please keep in mind school start (7:40am) and end times (2:25pm) when parking in the lower lot to avoid having to wait for the end of carpool in order to exit the lot.
