

Calling All Science-Loving Beavers!

If you LOVE to do FUN science activities,
then you will want to be a part of
Briarlake's Science Olympiad Team.

*Last year our team qualified for State and
placed in the Top 10 Science Olympiad
Teams in Georgia!*

An informational meeting will
be held on Wednesday,
Nov 15th at 3pm.

THE NATION'S MOST EXCITING SCIENCE COMPETITION

*Science Olympiad is a science tournament that
allows students in grades 3 through 5 to
compete in a variety of science events. A list of
events can be found at:*

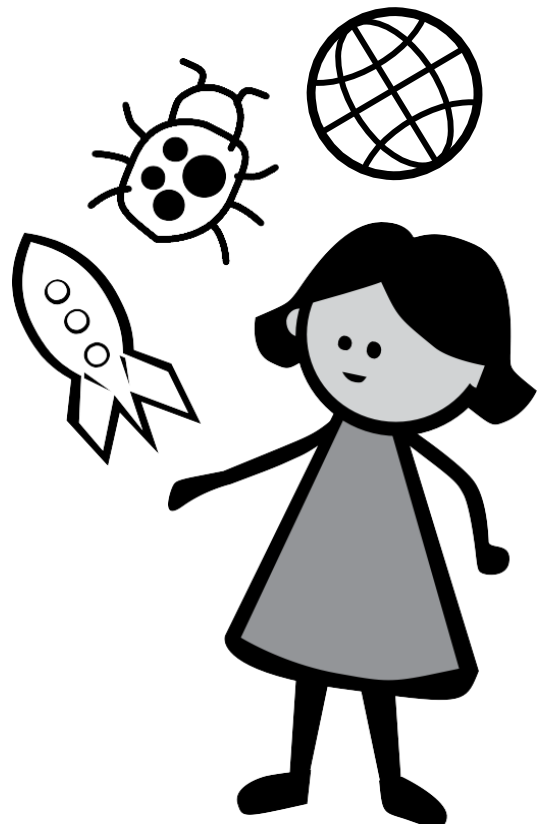

<http://www.gascioly.org/elementary.html>

Interested students and team coaches can sign
up here online **by December 1st:**

Practices for events will start in January and
run until the tournament in mid March (date
TBD). Typically, teams meet once a week after
school.

Parents are needed to help coach events.
Practice days/times for each event will be set
by the individual parent coaches.
