

# Calling All Science-Loving Beavers!

If you are a kid that LOVES to do FUN science activities, then you will want to be a part of Briarlake's Science Olympiad!

## THE NATION'S MOST EXCITING **SCIENCE** COMPETITION

The Science Olympiad is a science tournament that allows **students in grades 3 through 5** to compete in a variety of science events. A list of events is listed on the back of this flyer. Interested students and team coaches can sign up now.

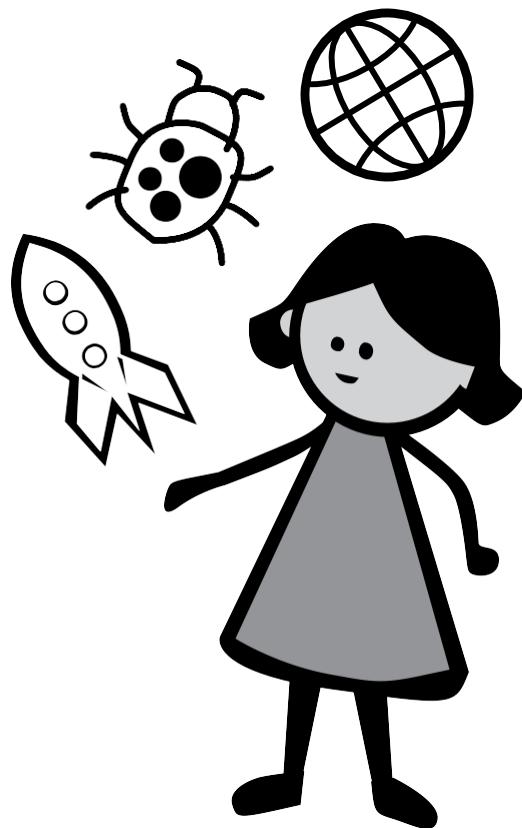

Students will choose their top 8 events. They will be assigned 2-3 events to practice with their team mate before the Competition.

Practices for events will start in January and run until the tournament on March 18th. Typically, teams meet once a week after school.

Parents are needed to help coach events. If a parent coaches an event, their child will compete in that event.

**Saturday, March 18th**  
**8:00am-12:30pm, Druid Hills Middle School**

Please return completed sign-up application to your homeroom teacher by *December 19th*.

## Questions?
