## Practice and Game Information

All teams will play with the IMPACT Youth Basketball League run through Myers Park Presbyterian Church.

**Team Placement:** Our goal is to create balanced teams, so each child is limited to one friend request which must match the other child's request.

\*Players can play "up" for their age group but cannot play "down".

**Coaches:** Coaches are parent volunteers. As part of our Safe Sanctuary policy, we have a two-adult rule. This means each team must have two adults with a minimum of one coach being a church member.

**Practices:** Practices are scheduled based on the coach's availability. Practice will begin the first or second week of November.

**Games:** Games begin in December and will go through February or the beginning of March (depending on weather and the number of teams). A season includes 6 games for ages 5 & 6 and 8 games plus a tournament for ages 7-18.

**Game Times & Locations:** Games are played on Saturdays. Games are played throughout Charlotte. IMPACT will have a list of locations on their website

**School Players:** There will be NO school players allowed on teams. If your child is trying out and you are unsure of whether they will make it, go ahead and register. If they make it, we will refund you! If a school player is discovered playing for a team, that team will be disqualified for the remainder of the season with no refunds.
