FCA Maine is one of more than 100 similar groups across the country affiliated with the national Funeral Consumers Alliance. We are a non-sectarian, education and advocacy organization, providing funeral consumer protection and information in Maine since 1973.

Thank you to all the people and businesses who helped make this special night possible.

Welcome

Thank you for remembering, honoring, and celebrating those we have lost and those who have made a difference in our lives. Thank you for your support, which makes it possible for us to continue to offer the highest quality hospice and bereavement services to the southern Maine community.

Daryl J. Cady

Four Candles

*The first candle represents our **grief**. The pain of losing you is intense. It reminds us of the depth of our love for you.*

*This second candle represents our **courage**—the courage to confront our sorrow, to comfort each other, to change our lives.*

*This third candle we light in your **memory**. For the times we laughed, the times we cried, the times we were angry with each other, the funny things you did, the caring and joy you gave us.*

*This fourth candle we light for our **love**. We light this candle that your light will always shine. We think of you each day and share your memory with our family and friends.*

We cherish the special place in our hearts that will always be reserved for you. We thank you for the gift your living brought to each of us. We love you. We remember you.
