

SUMMER MISSIONS 2018

Middle School Youth
who have completed 6th-8th grade

Summer Missions Dates

June 25th– 29th

Yes, one week!
We will work hard
Monday– Thursday
then play on Friday!

Summer Missions is an opportunity for Middle School Youth to be involved in Christian Outreach within the local community and at the same time it is an opportunity for them to enjoy the company of good friends!

The outreach may include visiting soup kitchens, nursing homes and shelters. We do this work during the morning hours and then spend our afternoons having fun together! What kind of fun?
Perhaps swimming, skating, zoo trips or movies...

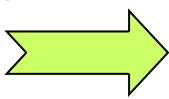

We can not do this without parent involvement!
The program runs from 9-4 for one week!
(Friday is a bit later– we go to Six Flags!)

To get to our destinations each week we need parent drivers.

These parents are also our chaperones and so must be **STAND** Trained
Here are the costs with breaks given for those able to help out more.

We are trying to keep prices down so everyone can come!
