SB 5124 (HB1278)	Supporting guardianships and voluntary placement with nonrelative kin	This establishes a state guardianship assistance program and changes the language so that any caregiver who is licensed and meets other criteria is eligible for the guardianship subsidy. This also obligates DCYF to report to the legislature on their success in placing children with relatives, RGAP payments, how they are supporting relatives to pass home studies and become licensed, and meeting the need for nonrelative family foster homes when children cannot be placed with relatives. Additionally, the bill expands who DCYF can place children with when parents voluntarily give custody to DCYF to suitable others. It clarifies this is preferred over licensed foster care. <p><b>SB 5497</b></p>	<p><b>Concerning medicaid expenditures</b></p>	<p>This bill strengthens the oversight of Medicaid program integrity activities by establishing and maintaining internal control of the Health Care Authority (HCA) over any state agency that received Medicaid funding.</p> <p>The bill establishes that beginning Jan. 1, 2024, the HCA’s contracts with managed care organizations (MCO) clearly detail each party’s requirements for maintaining program integrity and the consequences the MCOs face if they do not meet the requirements. The contract must ensure the penalties are adequate to ensure compliance.</p> <p>This would put the HCA in control to manage, audit, and correct how Medicaid funds are used. This also mandates the HCA to come up with a strategic plan to monitor progress and hold parties accountable. This must include a fraud and prevention plan that is based on the federal best practice model. These must be put in place by January 1, 2024 with every Medicaid contract.</p> <p>Lastly, this creates a Medicaid expenditure forecast work group in the Office of Financial Management (OFM). SB 5599	Supporting youth and young adults seeking protected health care services	<p>This bill adds language so that any program that person, or program, that provides shelter to a youth without parental permission wouldn't have to report the child's location to the parents if there was a compelling reason. These reasons are if notifying the parents would subject the child to abuse or neglect, or when the child is receiving protected health care services. This further establishes a fund of 7.5 million to the office of homeless youth. This would be so programs and ask for funding in order to address the needs of youth and young adults seeking protected health care services.</p>	Sen.
