### **Building Addition:**

During the December Business Meeting, an Ad Hoc committee was appointed to come up with recommendations on where to locate the addition to the church. The following two recommendations were brought to the meeting:

- a. To further explore architectural plans to expand on the North East (NE) side in order to make a fully informed decision.
- b. That a collaborative Master Plan be developed that includes present and future needs for HMS Richards School, Campion Academy and Campion SDA Church.

This committee talked to around 100 people at Campion Church, Campion Academy, and HMS School. The Ad Hoc Committee recommends that we have the architect draw some plans for the north side so we can make a fully informed decision. After a lot of discussion, the following two motions were made:

- a. A motion was made that we accept recommendation (a) with the following addition--having the plans ready by the February 27 business meeting.

Action: **Voted and Approved**

- b. A motion was made that we recommend (b) to Campion Academy and HMS School for them to consider.
