4572 Memorial Drive
Decatur, GA 30032

JOIN US!

The Department of Watershed Management (DWM) will be improving the capacity and service of the Wastewater systems serving your community.

Join us on Tuesday February, 5 at 6 p.m. to learn more about the Package III Gravity Sewer Project construction slated for Spring 2019. The gravity sewer improvement projects will provide maintenance ease, increase capacity and reduce sanitary sewer overflows in the Stone Mountain and Decatur area.
