## What You Need to know about Medicaid Expansion *With Hillarie Hagen*

February 18, 2020 | 2:00 - 3:00 PM | Online Webinar

Join Empower Idaho for this **free** webinar presented by Hillarie Hagen of Idaho Voices for Children as she demystifies what Medicaid Expansion means for Idaho. This presentation details the history of the Medicaid Expansion, what Expansion means for you and your family, and how to get involved as an advocate for yourself and fellow Idahoans. This is a great opportunity to learn about behavioral health resources and newly available services for those now covered through Medicaid Expansion. You will be able to ask questions directly to Hillarie, who played a significant role in the successful passage of Medicaid Expansion in Idaho.

---

Hillarie Hagen is the Outreach Specialist at Idaho Voices for Children where she engages impacted individuals on health care policy issues and helps coordinate Close the Gap Idaho. Through eight years of previous experience she has worked with diverse populations in the juvenile correction system, older adults in hospice, at risk families in support programs and in policy advocacy for home visiting programs. She graduated with honors from Boise State University with a degree in Social Work.
