

Transferring staff from 1099s to Employees

Accupay makes it simple to move 1099 staff to employee status.

Here is HOW we do it.

- tailor our secure SSAE 18 certified, web -based, payroll service to each customer's needs.
- provide a paperless solution if desired.
- set up all Taxes-Federal, State, Local, and make deposits.
- produce quarterly reports and annual W2s and reports.
- meet Banking requirements for tax deposits.
- set up direct deposit for employees
- set up Secure Employee Self-Serve portals.
- personal service: No Call center type approach to helping customers. Customers are Family.
- create an employee handbook and use LIVE people to address HR issues.
- perform background checks on new hires.
- get a quote on PA mandatory Workers Compensation Insurance =Pay as you go: No deposits.

Accupay has a 52 year history of doing payroll right...on time.

There is No contract to sign; two year price guarantee.
