Re: Canadian Blood Services Pension Plan - Union Trustee Vacancy

The Pension Liaison Committee invites you or someone you know to get involved with the **Canadian Blood Services Pension Plan** by applying to become a union trustee.

We require your assistance in helping us to find suitable candidates for one available trustee position. With the challenges facing defined benefit pension plans, we need people who have a firm and deep commitment to the labour movement and union principles.

CBS trustees are generally required to meet four times each year, and participate on at least one committee of the Board of Trustees. Attendance at various pension-related activities, including training sessions, is also required.

Time off is provided, and expenses are reimbursed according to OPSEU/SEFPO policy. The successful candidate must be willing to sign a letter of agreement that they will follow OPSEU/SEFPO policies.

Who should apply?

We are looking for individuals who ideally have, or who are willing to gain:

- Knowledge and commitment to OPSEU/SEFPO's beliefs and pension policy;
- A good understanding of defined benefit pension plans and the pension legislation that governs them;
