### ***What was your favorite program day during L'Ecate and why?***

My favorite program day was Faith Day. I grew up in the church, but it was so enlightening to see the different places of worship. The world wants you to see how we are different. This day highlighted how we share many of the same values...how we are alike.

### ***What is your favorite place to eat/play in Donelson, Hermitage, Old Hickory and surrounding area?***

My favorite place to “play” in Donelson is CrossFit Donelson. It is not only a place to help you reach your fitness goals, but it also builds community and friendships!

### ***What has been your biggest accomplishment personally or professionally?***

My biggest personal accomplishment is my family. My husband and two daughters are my world! I am still working on my biggest professional accomplishment as I am currently working on my doctoral degree.
