IN-PERSON WORSHIP SAFETY PROTOCOLS

(Updated Monday, April 12, 2021)

First United Methodist Church Plano is now offering in-person worship services. We are working to maintain a safe and welcoming environment for all who attend our in-person services, while also continuing to offer online worship on Facebook and YouTube. We encourage higher-risk individuals for COVID-19 and those exhibiting any symptoms associated with COVID-19 to continue to worship with us at home online.

All in-person services are conducted with the following safety protocols:

1. Entrance to the church will be through all main entrances.
2. Masks or facial coverings are required for everyone ages 3 and up. Masks should stay on, covering your mouth and nose, during the entire time you are in the church building.
3. Social distancing is recommended while on church campus. Be cognizant of social distancing while seated in the sanctuary.
4. On the first Sunday of every month, Communion will be served in individually packaged portions.
5. Pastors and music staff will not wear masks while on the chancel.
6. Offering baskets will be placed at the doors for offering as the congregation leaves worship. We encourage you to take advantage of online giving.
7. Youth and children groups will not meet. Child care is not available.

The church offices will be closed on Sundays.
Church staff may be contacted at the church during office hours.
