

ChristianaCare Explorer Post 2613

Exploring Careers in Health Care

About the Program:

The ChristianaCare Explorer Post 2613 is a Co-Ed program that is part of the Learning for Life section of the Del-Mar-Va Council, Boy Scouts of America Exploring Program.

Exploring focuses on career exploration, leadership development, life skills, and school-to-work opportunities.

Monthly meetings are currently being held on the second Sunday of the month from 2 – 4 p.m. Our meetings give the students the opportunity to network with healthcare professionals and gives them an opportunity to learn about the trade first-hand. Annual membership is for high school and college age students, 14 – 20 years old.
