

Thank You To Our Title Sponsor

At Trinity, we believe our mission sets us apart and compels us to do extraordinary things. It drives the way we care for our patients and support their families. It guides our involvement in the community and it directs the way we conduct our business.

As a not-for-profit healthcare system, our earnings are not paid to investors. Rather, they are reinvested in our community to support our staff, advanced technologies and new and updated facilities.

The administrators, physicians, staff and volunteers of Trinity Health System take great pride in its healing ministry. We will continue to be a community partner dedicated to excellence in serving the health needs of the tri-state area.

It all started back in 1986. Under Chamber President, Curt Klein, the first-ever Jefferson County Chamber of Commerce Golf Outing was held at Steubenville Country Club. It's seen many changes through the years but some things remain the same. It's always a full and fun day filled with great food, friendly competition, contests and prizes.

Over 30 years later, the annual golf outing remains the Chamber's most important fundraiser of the year. And It continues to reflect one of the basic principles that the Chamber was built on - local business people from all sizes and types of businesses along with their employees gathering to network, volunteer and enjoy each others' company while supporting the Chamber and its mission.

We hope you'll consider staying or getting involved in this year's outing. Get a team together, become a sponsor, volunteer or stop by for dinner and prizes.

We're looking forward to seeing you in May.
